

# Cigar Night

## Event Date: TBD

**TICKETS NOW AVAILABLE - BUY YOURS TODAY!**

[www.TAFCIGARNIGHT.eventbrite.com](http://www.TAFCIGARNIGHT.eventbrite.com)

Be advised that the DATE of this event will change due to the COVID19 health pandemic, however you can still purchase tickets online today. Once the new event date is confirmed, we will update the eventbrite sit. One ticket includes dinner, top shelf open bar (featuring homemade Pappas sangria), hand rolled cigars, free raffle entry, music & dancing, lawn games and access to a silent

Under normal circumstances, we would be about 2 months away from our annual Cigar Night. However, in this current environment, we have taken the stance to follow the guidance of our government officials and pause the planning of any large scale events until further notice as the health & safety of everyone we know is of paramount concern. Of course, we don't know precisely when the coronavirus will be contained and normalcy restored, but until then, please know that all of us at The Aubrey Foundation are sending strength and positivity your way to help you and your families navigate through these challenging times.

Our planning committee continues to meet regularly (virtually, of course) to ensure we stay connected as we hope to be able to host the 6th Annual Cigar Night sometime over the summer. This event is co-hosted between The Aubrey Foundation and The Anthony A. Raspa Memorial Foundation. Anthony & Aubrey were cousins who passed away within months of each other. The Aubrey Foundation & Anthony A. Raspa Memorial Foundation were created in their memory to serve our local communities in unique ways that mirror the lives they led. To help fund our 2020 giving efforts, we co-host this fundraiser during which we celebrate the lives that Aubrey & Anthony lived in ways that remind us of them. There is nothing Aubrey & Anthony loved more than spending a summer Sunday afternoon with family & friends - dancing to great music, playing fun games, enjoying great food, sipping on delicious Pappas sangria, and enjoying a cigar. We so very much look forward to being able to spend time together again, *in person*, for a fun afternoon in honor of these angels.

As soon as it is safe & appropriate to select a new event date and resume with planning, we will be sure to communicate all event details with everyone. Until then, be safe, be well and stay connected!
