

Sip Sip Hooray! A new way to support The Aubrey Foundation!

It's the New Year and time to spread some good Cheer! Or perhaps that's "Cheers!"

Aubrey loved bringing people together and always welcomed the opportunity to open a bottle of wine, whether it was to celebrate something special or simply just enjoy a conversation and quality time with people she loved.

The Aubrey Foundation is partnering with **One Hope Wines** for an online fundraiser in celebration of Aubrey's upcoming birthday. One Hope is "A Winery Built on Hope & Rooted In Purpose." With every bottle purchased, The Aubrey Foundation will receive 10% back in a donation from **One Hope**. In addition, each bottle of wine that you purchase supports a specific cause, such as clean water initiatives, health causes such as breast cancer, hunger relief, and education.

There's a new special offer beginning on February 1st (even WE don't know what it is yet!) so check out the link below to find out which wines will be specially priced.

Whether you love dry, sweet, red or white, or if you want to grab some limited edition Vintner Reserves, (and check out the Tasting Flights and Glitter Bottles!), you can learn more about the incredible variety of top-rated wines and support our fundraiser by clicking the following link:
