

Wreaths Across America - We are so thrilled to announce that this year The Aubrey Foundation will be donating 36 wreaths to help the We Remember Committee place a wreath for every Veteran's gravesite at the Elmwood Cemetery. That is a donation of \$540! This is the 3rd year in a row that The Aubrey Foundation has been able to support this community event. We were able to help the We Remember Committee meet 100% of their goal.

As we head into the holiday season, it is so important to support each other and be thankful to all who have served and continue to serve. We can all help play a part in raising awareness by donating a wreath to the 2020 National Wreaths Across America Day, which has been designated by Congress to be December 19, 2020.

Other Giving - This Thanksgiving, The Aubrey Foundation was able to donate over \$580 in groceries to The North Brunswick Food Bank. This included turkeys for Thanksgiving dinner. We are so grateful that we were able to continue our Covid19 giving initiative by helping the community's food bank during this unprecedented time. Thank you to our board members, Emily and Derek Angeles for purchasing all of the groceries for donation.

We will continue to give back to those in the community. If you know of a student, family, or general community need please let Heather know! We look forward to helping those in need and partnering with other local organizations to further our reach to those in the local community.

If you have questions or would like to reach out about a potential giving opportunity please email our Philanthropy Chair Heather at: Heather@TheAubreyFoundation.org
