

## **There's a Market for That!**

The Marketing Committee loves to brainstorm! At our first meeting, we developed our Social Media Plan for the year, (Yes! The whole year!), discussed ways to improve and update our TAF website, and the whole team was tasked with coming up with new items to add to our TAF store for the spring. Do you have ideas of what you'd like to see in our online store? Feel free to message them to [info@theaubreyfoundation.org](mailto:info@theaubreyfoundation.org).

Everyone on the committee left with at least one assignment, and it is so exciting to have EVERYONE playing an important role in how our committee functions and defines our strategic goals. Want to join us for our next meeting on March 7th? Send a message to [info@theaubreyfoundation.org](mailto:info@theaubreyfoundation.org) and we'll send you the Zoom link.
