

With the onset last year of the Covid-19 pandemic, our township first responders and community organizations were drained of their resources, and the extensive workload forced upon them during this time has been exceptionally stressful. Yet, through all of this, our Police, Rescue Squad, Fire Departments and Food Bank have worked tirelessly to support those in need in North Brunswick.

Our "Helping Our Heroes" Campaign aims to further support each group's community initiatives and "behind the scenes" needs to express our thanks for their continued dedication to our township's residents and businesses.

We have set a goal of raising \$500 by June 30th, and it's easy peasy to help us reach that goal! Simply visit [click here](#) to go directly to our Network for Good Donation page... Remember, no gift is too small to make a difference!
