

## Vendor Spotlight!

Throughout each year, there is always one constant and that is the support from our vendors! Without our vendor's consistent support, we wouldn't be where we are today. On this Vendor Spotlight, we want to spotlight and shout out: Thomas Sweet, who is one of our **VIP partners**, which means they have worked with us since **Day 1!**

Ice cream for breakfast has become our favorite Purple for Pappas race day morning tradition! We are thrilled to announce our 1st confirmed 2022 race day vendor: Thomas Sweet of New Brunswick! For 7 consecutive years, we have had the pleasure of working with the wonderful staff at Thomas Sweet and providing their tasty homemade signature ice cream to everyone in attendance at the Purple for Pappas 5K. We're looking forward to having their great energy and delicious treats with us again this year on race day!
