

Sponsor Spotlight

We are forever grateful for *all* of the sponsors and donors that have contributed to our cause over the past five years. No matter the size of the donation or the nature of the partnership, it is through their generosity that we have been able to sustain The Aubrey Foundation and continue to do the philanthropic work we do. Many of these partnerships have turned into friendships: the *people* behind these businesses are hardworking, generous, resilient individuals. Now, more than ever, we want to acknowledge them by paying it forward.

During this season of COVID19, we recognize the many different struggles our family, friends & neighbors have been faced with. One way *we can all play a small part* in helping our economy pick back up again is to support our small local businesses. Included below is a list of some of our wonderful partners that are now open for business and their adjusted schedules to accommodate for the health pandemic. Our commUNITY is a special one!
