

Other Giving

Our giving efforts continue during the Covid 19 Pandemic. The general board members of The Aubrey Foundation participated in The North Brunswick's Food Bank Community Wide Food Drive on June 20, 2020. We were able to drop off a large box of donated food to help replenish the community's food bank. The North Brunswick Food Bank was able to collect over 22 containers of food. A special thank you to Peter Clark, co-organizer of The North Brunswick Neighborhood Flashlight Brigade, for always keeping The Aubrey Foundation aware of such opportunities to give back to the community of North Brunswick. Mr. Clark is one of the biggest supporters of The Aubrey Foundation and he was also Aubrey Pappas's principal for many years at Linwood Middle School. Thank you to Mr. Clark and the general board members that supported such a great cause!
