

BELT SANDER RACES //

Information & Rules

Competitors customize their belt sanders; however you want (including the mechanicals), and will race them down a track against another team's belt sander. Last team standing wins the coveted Belt Sander Cup! This event is open to any group that wants to participate.

AWARDS:

These awards will be presented at the end of the event after the winners are presented the Cup. Categories are subject to change.

- Best Decorated
- Best Team Name
- Team Spirit Award
- Worst in Show

RULES:

- *Teams must register before the registration deadline in order to participate*
- *Teams must use a belt sander with a 3" belt width*
- *Teams may decorate their belt sanders however they wish, as long as the decorations do not protrude more than 1" off the sides of the belt sander. Please note, the belt sander will be lined to race behind a starting line. Any decorations added to the front of the belt sander will shift your starting point backwards so all parts of the belt sander are behind the line.*
- *Teams may modify any part of the belt sander they choose to, including the electronics, as long as the belt sander is safe to race, fits properly on the track, and does not violate any other rules.*
- *Teams may not change the plug for the belt sander.*
- *Belt sanders will be given 1 false start per race. On the second consecutive false start or failed start, the offending team will be forced to forfeit.*
- *Any attempt to sabotage a different team's belt sander will result in disqualification.*
- *Decisions of the judges are final. Judges have the right to refuse a team that is violating the spirit of the event.*
- *Remember, above all else, have fun. Keep it family-friendly, and have a light-hearted competitive spirit.*
