

UTO NEWS HIGHLIGHTS FOR SUMMER 2025

UNITED THANK OFFERING Gratitude

Just a reminder that we are not shipping materials during the month of July while we change over our ordering process and to allow Heather to have some vacation time.

Our hope is to launch the new ordering site before the end of July and begin shipping orders again the first week of August for individual items.

Fall Formation Kit orders are due by August 29th and will ship by September 26. The new process will allow more customization of the kinds and amounts of materials found in the kit. To learn more about it, see the [virtual training day video from the Formation Committee](#).

UNITED THANK OFFERING Grants

Congratulations to the 2025 UTO Grant Recipients! [Read all about the new grant sites here](#). New grant brochures/posters will be available to order beginning in August. You can download the new brochure now on the website. This month we're not sharing a story from a grant site so you can focus on the newly awarded grants!

2026 UTO Grant Application materials are now available! [Find them all here](#) along with a new training for those of you willing to help folks locally with their application.
