Program Overview

Your company has the opportunity to compete for honors in the construction industry's premier annual awards program – **the ABC NOC Chapter Excellence in Construction Awards competition** – recognizing the outstanding merit shop projects of the year. Use this application and the included forms to enter your company's best project(s).

All award winners will be recognized at an awards celebration in the Cleveland area. The ceremony will feature a multi-media presentation highlighting the projects, and an elegant printed program highlighting each award-winning project. All winners will be recognized in a special section of *Properties* magazine and news releases will be distributed to regional and chapter construction-related media outlets.

Entry Requirements

Each entry must follow the entry requirements outlined in this award application. You may email questions to rickl@nocabc.com. Or call Rick Lorenzen (330) 606-1420

ABC Membership

Only ABC members are eligible to win an award. If your project was completed by using nonmember companies wanting to be considered for awards, please contact Rick Lorenzen (330) 606-1420 rickl@nocabc.com. We will make arrangements for them to join the ABC Northern Ohio Chapter.

Completion of Project Requirement

To be eligible for award consideration, the project should be near completion by October 1, 2019.

Project Entry Steps

1. Project Registration – Please contact Rick Lorenzen to register your intent to submit a project for judging and award consideration. Rick Lorenzen rickl@nocabc.com, Cell (330) 606-1420, Office (440) 717-0389. Intent to submit information should include the following:

Company Name _____ **Contact Name** _____

Name of Project _____ **Entry Category** _____

Contact Email _____ **Cell Number** _____

ABC Northern Ohio Chapter will send a Dropbox invitation to your contact to upload content into a private folder. If submitting more than one project, your folder will contain pre-labeled project subfolders, contact Rick Lorenzen rickl@nocabc.com (cell) 330-606-1420

2. Chapter Awards Submission Deadline – October 1, 2019

3. Northern Ohio Project Entry Fee –\$250.00 for each project submitted by a member company for a chapter EIC awards. Projects may be submitted by multiple contractors and subs.

More Information

Specific questions may be directed to the ABC chapter office by sending an email to rickl@nocabc.com or call Rick Lorenzen (330) 606-1420. Frequently asked questions and additional tips on applying are listed at www.abc.org/eic.

Overview of Award Categories

Awards may be presented in 50 categories. The 31 categories for General Contracting / Construction Management are outlined on page 8 of this document. The 19 categories for Specialty Contracting are outlined on page 9 of this document. For further descriptions of each category, see the Excellence in Construction web page at www.abc.org/eic

“Chairman’s Cup Award”

Will be awarded to the Excellence award project with the highest overall score (Based on the Judging Criteria)

“Excellence Award”

Award winners will receive an award to signify construction’s highest honor.

“Merit Award”

Award winners will receive an award to signify construction’s outstanding honor.

“Greener Tomorrow Award”

Special recognition will be given to select award winners whose projects utilized sustainable best practices. To be considered for this award, please complete an additional tab section 9.

Judging Criteria

Read each section carefully.

Your designated contact person will receive a Dropbox invitation to upload content into a private folder. If submitting more than one project, your folder will contain pre-labeled project subfolders.

The panel of judges represents a cross section of construction industry experts, including owners, architects, engineers and other industry leaders. The competition is comparative, using a point system to assist in the comparisons. The different evaluative sections and their point values are listed below. Answers to questions should be clear and succinct, as directed; the quality of an entry’s presentation will have a great impact on its opportunity to win. Use the checklist at the end of this document to review your entry prior to submittal.

Overall Presentation and Conformance to Entry Requirements

(10 points)

- Uploaded documents should be pleasing to the eye and legible. Points will be deducted for a font that is too small to be easily read.
- Please assemble the forms and supplementary material as outlined on page 5 and upload to your designated Dropbox as one PDF File

Contracted Scope

(10 points)

- Include up to one full page, ensuring legibility when selecting font design and size.
- Provide a description of your scope for this project including the following information:
 - type of construction
 - size of project
 - contract value
 - length of project
 - percentage of labor that is self-performed
 - any subcontracted work performed by fellow ABC members, suppliers or associates/industry professionals
 - Describe the opportunities you provided to the construction community to participate based on merit.

Samples of Contracted Scopes may be viewed online at abc.org/eic

Judging Criteria (continued)

Project Narrative

(30 points)

Include up to four pages, ensuring legibility when selecting font design and size. Four pages is highly recommended, and photos may be included.

Provide a written narrative indicating why this project is special and why it qualifies for a Chapter award. The focus of the narrative should be the construction (i.e. erection, installation, modification, grade footprint, etc.) of the project. Be sure to include the following items:

- Describe any innovative programs relating to quality control.
- Describe any innovative programs relating to scheduling.
- Describe any value analysis/engineering process used on the project.
- Indicate any special obstacles you overcame in completing the project.
- Describe any difficulties or extenuating circumstances encountered in completing the project.
- Describe any innovative programs or methods related to productivity.

Projects entered into the Community/Public Service categories may include one additional page (for a total of five pages) dedicated to describing why the project qualifies for the category. Include a detailed description of the resources donated by your company.

Photographs

(20 points)

- Submit photographs of the project on no more than ten 8 ½" by 11" sheets. There is no limitation on the number or size of the photographs for the 10 pages, although 10 total photos are recommended.
- To obtain maximum points, provide "in progress" photos for new construction or "before and after" photos for restoration and renovation projects.
- It is recommended to include photos that are relevant to the challenges and solutions outlined in the narrative.
- Provide a descriptive caption for each printed photograph, but keep the electronic images on the upload clear of any labels or captions.
- The original photographs should be uploaded in a JPG file format to the Dropbox photograph subfolder. Include a text document indexing each photo.
- No videos please
- Photographer's Use Authorization: If any of photos being submitted were taken by a third-party photographer, the photographer's written authorization to use the photos is required.

Project Safety

(30 points)

- No project that involves a prime, multi-prime, subcontractor or any trade-related work (regardless of the type of contract) with a safety-related fatality is eligible for an Excellence in Construction Award.
- Complete the separate Project Safety section on pages 10 and 11 of this application.
- You must also include your company's OSHA Form 300 & 300A (project specific, if available) for the year(s) the project was under construction, with personal information redacted.
- Include the additional documents requested on the Project Safety Form.

Judging Criteria (continued)

References *(optional bonus points)* (10 Points)

- Include letters of recommendation from third parties involved with the project, such as the owner and design team.
- Letters will be assessed for their level of quality (content and position of author). In some cases, a single letter could earn the maximum number of points; however, additional letters are highly recommended.
- Provide a short description of how the author of each letter was involved in the project.

Supplemental Materials *(optional bonus points)* (2 points)

- Up to five pages.
- Provide any miscellaneous supporting materials such as diagrams and other graphics, media coverage, awards and promotion.

AQC Contractor *(optional bonus points)* (2 points)

- If your company is designated as an ABC Accredited Quality Contractor (AQC) member, include a copy of the company certificates. AQC status is not required to submit a project for an Excellence in Construction award. If necessary, a copy of the certificate may be requested by emailing aqc@abc.org.
- The certificate must indicate the chapter through which you are submitting your project because AQC membership is chapter specific.

For more information about AQC and to download an application, visit abc.org/aqc

STEP Participants *(optional bonus points)* (10 points)

- If your company is a Safety Training and Evaluation Process (STEP) participant, include a copy of the company certificate. STEP participation is not required to submit a project for an Excellence in Construction award. If you do not have a copy of your certificate, contact your chapter. A letter confirming your participation will be provided.

Greener Tomorrow Award Bonus Award

Any project that wins an award and used sustainable best practices is eligible for a Greener Tomorrow Award. To be considered, include the information outlined below. Note that LEED certification is not required.

Part One:

- Provide a written narrative (one or two pages, ensuring legibility when selecting font design and size).
- Describe the sustainable building initiatives, if any, that required your company's participation.
- Describe your company's involvement in the design phase, if any.
- Describe any obstacles or challenges related to achievement of the project's green initiatives.
- Indicate if the company is an ABC Certified Green Contractor (bonus opportunity).
- Include a sample of a toolbox talk and sign-in sheet if ABC Green Building Toolbox talks were used.

Part Two:

- If applicable, include the green rating system used and level of certification achieved.
- If it is a LEED project, include the LEED scorecard.
- If another rating system was used, list the criteria used to establish the rating achieved.
