## Qualified Crane Operator Test-Prep Training & Certification

December 9-12, 2019

8:00AM – 5:00PM

AT ABC IN BROADVIEW HEIGHTS, OH

**WHY CRANE TRAINING:** The new OSHA Crane Standard *requires* that ALL Crane Operators achieve the Qualified Operator Certification. ABC is pleased to offer two options for you to meet this OSHA requirement by the end of 2020.

**OPTION 1:** A 4-day Crane Training Program, including the written test. The Performance Exam is scheduled and conducted on your machine at your convenience; or

**OPTION 2:** The Performance Exam scheduled on your crane with the Crane Training and written test to follow. The 4-day Crane Training Program and written test must be completed within one year and will be held at ABC. The schedule of future classes will be announced throughout 2020.

This Crane Training Program is based on the OSHA-approved NCCER curricula and is delivered by NCCER certified instructors and performance test evaluators with experience conducting this training and testing. Both options meet the OSHA requirements.

Tuition for this comprehensive program is: ABC Member or Student: \$2,150 each  
Non-Member: \$2,650 each  
Registration Deadline: Dec. 4th

***REMEMBER, CRANE OPERATOR CERTIFICATION IS REQUIRED TO MEET THE OSHA STANDARD.***
