IN OUR PARISH

NOTE: The time for the Maundy Thursday service was incorrect in last week's newsletter. It will be at 7:00 p.m., not 5:00.

What is Tenebrae?

Tenebrae is an ancient service, now celebrated on the Wednesday evening of Holy Week. The name comes from the Latin for "shadows" or "darkening," and it has roots in monastic services dating back to the 5th century A.D.

The service begins with seven candles alight on the altar. It is divided into Nocturns and Lauds, which each contain a series of psalms, lessons, and responsive readings that commemorate the sorrow of Christ's journey to the Cross. After each section, one candle is extinguished, slowly bringing the church into complete darkness. At last, only the center candle is left, the Christ candle, representing the light of Christ persevering in the darkness and sin of the world. Then, even this candle is hidden, symbolizing the crucifixion and Jesus' time in the tomb. A loud noise, called the *strepitus*, is made and the Christ candle is revealed again, bringing the light of the Savior back to the world. By this single light in the darkness, the worshippers leave the church in silence – no recessional, no blessing. It is an acknowledgement that, despite Jesus' earlier teaching, the disciples believed his story had ended in death and defeat. Only now do we know the glorious resurrection was yet to come.

Join us during our normal Evening Prayer time slot – 5:00 p.m. – and if you're interested in reading, please contact Erin.

Spring Treats begin at Easter

We will have special treats and lemonade after the April 20 Easter service provided by your Parish Life Committee. Please stay to nibble and mingle and enjoy Easter morning together. After Easter, let's continue post-service fellowship time with cookies and lemonade on non-brunch Sundays, to give us a few minutes after the service to just enjoy each other's company. If you'd like to bring a simple treat one Sunday, a sign-up sheet will be in the narthex.

Vestry Meets via Zoom April 21

As their regular third Sunday meeting falls on Easter, the Vestry will meet via Zoom on Monday, April 27 at 7:00 p.m. to conduct the business of the church. If you'd like to attend, contact Erin for the Zoom invitation.

Book Club Selects Kingsolver's *Flight Behavior* for May

In 2004 Barbara Kingsolver moved from Tucson, where she had lived since 1978, and returned to southern Appalachia, the setting of several recent notable books, including *Flight Behavior*, the book club's selection for the May meeting.

Published in 2012, this novel follows Dellarobia Turnbow, a young farm wife who witnesses an unusual migration of Monarch butterflies fleeing from their normal pattern due to global warming. They attract the

attention of scientists, religious leaders and politicians. Dellarobia's involvement transforms her worldview and opens new possibilities for her future.

Flight Behavior is a captivating, topical and deeply human story touching on class, poverty and climate change. It is Barbara Kingsolver's most accessible novel yet and explores the truths we live by and the complexities that lie behind them. (Adapted from Amazon.) The Book Club will meet May 7 after Evening Prayer at 5:00 p.m.
