

We are Called to be Stewards: a Multifaith - Intergenerational  
Exploration of Divestment Activism on Campus

Thursday, March 2, 2017

7:00 PM to 8:30 PM

The Red Herring, Channing Murray Foundation  
1209 W. Oregon St., Urbana

From the clear moral vision of Reverend Martin Luther King Jr. to the water protectors of Standing Rock who bring their prayers to the frontlines, our movements have always been most powerful when grounded in spirit. Join us as we bring people from throughout Champaign-Urbana of various traditions of faith and conscience into dialogue with students called to support divestment from corporations linked with acts of social and environmental injustice. There will be brief informational updates on the UIUC divestment campaigns; connections of spirituality and activism expressed through music, poetry and story; and time for group questions and discussion.

For more information: call Lan at 773-556-3417  
Co-sponsored by UUCUC Social Action Committee
