Our [Soul Matters Covenant Groups](#) are well into our 2nd series and we're already looking ahead to our 3rd series which will be offered this Fall. But to make the program a success, we need a strong team of committed and trained facilitators.

If you've ever thought that you'd be a good fit as a Soul Matters Facilitator, then this call is for you! You need not be an experienced group facilitator or experienced with Soul Matters. You only need to be willing to learn and invest your time and energy into serving.

A perfect way to dip your toe into the facilitation experience is to join us for our upcoming training. If it feels like a good fit for you, then you'll be encouraged to sign-up to become a facilitator for our Fall series. If it doesn't feel like a good fit for you, then you'll have spent a pleasant evening with friends learning more about an important program of our church community.

Please consider signing up for our upcoming training. [CLICK HERE](#) to sign up and let us know that you'll be attending. Details of the training follow.

On Wednesday, April 3, we'll be offering a training from 5:30-8:30 pm at the church. The training will include a light supper followed by an in-depth, two-hour online training for small group facilitators and ending with a half-hour Q&A and wrap-up. This webinar covers the Soul Matters facilitation model, tips for handling facilitation challenges, strategies for program growth, and best practices for new facilitator recruitment and support.
