

UUCUC Publicity Process – 2019/2020

If you or your committee/group is offering/sponsoring an event, program or meeting, creating good publicity across many mediums is vital to its success. Please keep announcements to church-related activities only.

Overall Publicity Procedure:

1. Wednesday at noon is latest content is due. (You do not have to wait until Wednesday to send). See schedule for the Uinter dates.
2. Send an e-mail with your submission in a word document as an attachment to pubs@uucuc.org. See specific publications for word limit.
3. Include a photo or image – this is especially important for social media advertising and Uinter. Due to space constraints, we are unable to use all submitted photos in eNews or Order of Service, but they are incredibly important for effective advertising on social media. Please send it as a .jpg attachment. Please only submit photos that you have taken, or that are license-free, or where you have written permission from the photographer to use. If you need to locate a high-quality photo with free-use copyright permissions, try www.pixabay.com, www.pexels.com, or www.unsplash.com.
4. Use links! Help readers find and locate websites, emails and locations to places.

Important Reminder: All submissions should be ready for publication, without need for further editing of content.

UUCUC Publication Guidelines

All submissions should be:

- Edited for grammar and spelling.
 - Submitted as an attached Word document(s) – Please do not send your content in the body of the email. If sending photo or image, please include as a separate file.
 - Ready for publications, without a need for further editing of the content.
 - Formatted simply. We have a specific layout we use for each publication, so there's no need to spend time on fancy formatting.
 - Accessible – the first usage of a term should not be an acronym. Spell out the term, and if planning to re-use the term, put the acronym in parentheses after first spelled-out usage before using the acronym. If using a term only once, spell it out, no acronym.
 - ✓ Example: write "Racial Justice Project (RJP)" before then using RJP as an acronym.
-
