

WNC Graphics

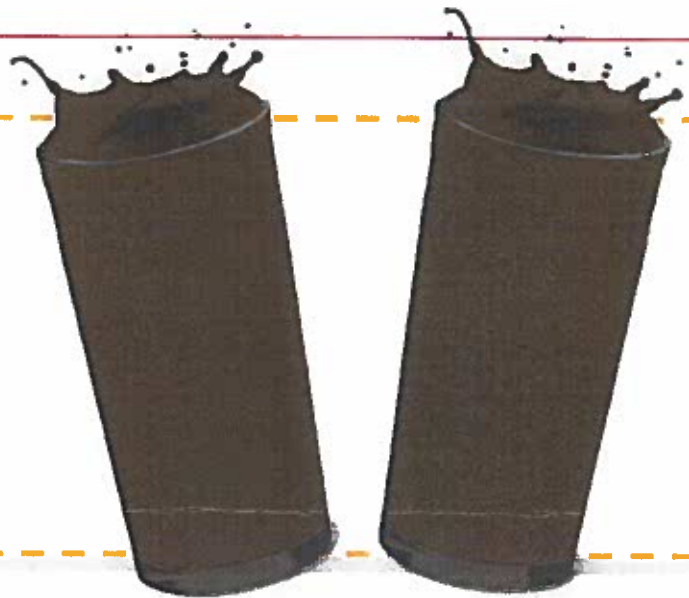

There is a new look coming to the WIC Nutrition Card (WNC). The current design is on the left and the new design is on the right. New participants will be receiving the new version of the card and existing participants will still be using the current card. Either card is acceptable.

Chocolate Milk

The Ohio WIC Program is adding chocolate milk to its authorized foods list. Please submit any chocolate milk that you have available in your store to: OhioWICUPC@odh.ohio.gov

Please provide the food item documentation with the 12-digit UPC number and the product label with the size, brand, product name, nutrition information and ingredients list.

WIC Benefit Payment

You, as an authorized WIC vendor, are responsible for knowing if your claim files are being submitted timely and that you are getting paid for those transactions within the file. Vendors are also responsible for training staff on rules and procedures of the WIC program. Please review the Ohio Administrative Code rule 3701-42-01 through 3701-42-10 located at Ohio.gov.
