

CORONAVIRUS RESPONSE

WE NEED YOUR HELP!

For the health and safety of store employees AND our customers, we're asking everyone to lend a hand and help us combat the Coronavirus by doing the following...

SHOP ALONE

In order to stop the aggressive spread of the Coronavirus, health experts are asking everyone to remain as isolated as possible. This means, whenever possible, to **SHOP ALONE** and **LIMIT YOUR TRIPS**. In addition, maintain the “social distance protocol” of **SIX FEET** between you and other customers.

SELF-MONITOR

Continue to check your temperature daily and **MONITOR YOUR OWN HEALTH AND WELL-BEING**. If you are experiencing any increase in temperature or other symptoms, contact healthcare officials. We encourage our employees to practice self-monitoring!

Thank You!

For your consideration and cooperation during this difficult time.

We appreciate your help and participation in doing our best together to combat the Coronavirus!
