Children participating in the Kids' K whose parents feel that they need to run with their children may accompany them.

PARENT

FAQ

How can parents locate their children after the race? Parents should meet their children at the finish line. The distance to run is very short. For children 5 and under, we suggest having a parent or older sibling at the start with the child as well as having a family member waiting at the finish line to retrieve their child once they have completed the race. In case a child cannot locate his/her parents, they will be escorted to the Guest Services/ Lost Children Booth and the MC/announcer will make an announcement.

What if it rains? The races are held rain or shine.

Can schools wear their own t-shirt? All participants will be given a cape to wear. If schools feel the need to wear a certain color t-shirt for organizational purposes, that is fine.

What if a student is walking or jogging? Students should have ample room to walk or jog as the faster runners pass them on the course. These participants should start at the rear in the group they are participating with.

What about the recycling component of the program? This year the Fair is collecting food donations. They will be donated to the Palm Beach County Food Bank. Students are asked to bring two non-perishable food items to the Fair on the morning of the race, where they will be collected.

Is there any Prize Money? Yes, there is prize monies for the school with the most registered students as follows: 1st Place - $1,000, 2nd Place - $500. Monies will be payable to the school's PE department.
