OUR MISSION

The mission of the Children's Healthcare Advocacy Project is to ensure the ability of vulnerable children in Palm Beach County to access appropriate & quality medical, dental, behavioral, and mental healthcare through specialized legal representation, systemic advocacy, education, and outreach.

EDUCATION

Project staff provides education, outreach, and support to increase understanding and knowledge of specific healthcare barriers facing vulnerable children and information on how to eliminate these barriers to ensure greater access to appropriate and quality healthcare.

HOW WE CAN HELP

Please contact our office if:

- You are the parent, caretaker, foster parent, or legal guardian of a vulnerable child in Palm Beach County, who has been denied access to appropriate and quality medical, dental, behavioral, or mental healthcare; or
- You are an attorney, guardian ad litem, advocate, school personnel, or service provider of a vulnerable child in Palm Beach County, who has been denied access to appropriate and quality medical, dental, behavioral, or mental healthcare; or
- You are a vulnerable child in Palm Beach County, who needs healthcare services or has been denied healthcare by a doctor or provider.

This program is made possible through the generous support of the Quantum Foundation.
