Course Description

This is a Train-the-Trainer course for the L0962 NIMS ICS All-Hazards Planning Section Chief course. Note that the online registration does not confirm that you will be accepted into this course. You must submit the necessary documentation that is listed below.

This course is designed to assist the student in his or her preparation to function effectively under the NIMS/Incident Command System.

Personnel selected to serve as instructors for this course will teach in the field to personnel representing the Nation's first responders and allied professions from various Federal, state, and local organizations.

The audience for the course includes people functioning within the environment of an Incident Management Team (IMT) as fully qualified and have a significant instructional delivery background.

The use of qualified, knowledgeable, and experienced instructors is an important aspect in the successful delivery of AHPS training. The learning experience is heightened when the instructors have real-world experience and have served in the capacity for which they are providing instruction. This experience should include service on a variety of incidents during major operations, planned events, and/or full scale Homeland Security Exercise Evaluation (HSEEP) compliant exercises as determined by the local authority having jurisdiction (AHJ).

Selection Criteria: All applicants for admission into the All-Hazards Position-Specific (AHPS) Train-the-Trainer (TtT) program must:

- Have completed the course they desire to teach prior to applying for acceptance into the Train-the-Trainer program
- Be a fully qualified PSC; completed Position Task Book (PTB)
- Have documented experience serving as a PSC on Type 3, Type 2 or Type 1 AHIMT(S)
