

Children and Youth in Disasters Plan

Focus Group for Emergency Managers

What is this Focus Group?

Multnomah County Emergency Management and Clackamas County Disaster Management are conducting a Focus Group to inform the development of a disaster plan focused on children and youth. We need your expertise to identify best ways for emergency managers to support youth before, during, and after disasters; and to identify existing resources to meet those needs.

Who can participate?

To ensure we are planning for *all* youth, please share this invitation with other emergency managers who serve children and youth within Multnomah and Clackamas Counties.

Meeting Information:

- Date: September 26, 2022
- Time: 10:00am - 12:00pm (PST)
- Virtually with Zoom (link to follow)

I'm in! How do I sign up?
