

MGT 448: All Hazards Planning for Animal, Agricultural, and Food Related Disasters-Virtual Zoom Delivery

This DHS/FEMA-certified, 8 hour, tuition-free, management-level course will provide the background information needed to lead a multi-agency team of emergency planners in the development of an Emergency Support Functions (ESF) annex for food and/or animal-related disasters to supplement their community's existing Emergency Operation Plans (EOP). The course will address topics such as agroterrorism, detection and diagnosis, unique challenges that rural communities face in planning for and responding to food and/or animal-related disasters, utilization of ESF, recovery and the importance of sustainable operations during a disaster event, and mapping a community to identify areas of vulnerability and resources. All content will be presented at an all-day instructor-led training that will include presentations and problem-solving activities that will be completed in small groups.

The following would benefit from attending this course:

- Animal Emergency Services
- Agricultural Safety
- Emergency Managers & Planners
- Law Enforcement
- Public Health
- Private/Corporate Security & Safety
- State, Local, & Tribal Governmental Administrators
- Private/Corporate Security & Safety
- Veterinarians

The Rural Domestic Preparedness Consortium (RDPC) now offers **virtual, instructor-led** training opportunities using Zoom for Government. This new training modality offers a secure, encrypted environment so that emergency responders can train virtually anywhere.

This 8-hour course will be presented over **two consecutive days**. Each day will consist of one **4-hour training session**. Participants are required to use their own computer, tablet, or smartphone during the course. Each participant should log in a few minutes early to test the audio and/or video connection. While downloading the latest Zoom client app is beneficial, it's not required.
