

Children and Youth in Disasters Plan

Calling Youth Group Members: We need your help to create a plan for children and youth in disasters.

What is this plan?

This plan will help Multnomah and Clackamas Counties learn what is most important to children and youth in disaster situations. We want to know, what would you need to feel safe in an emergency? Where would you go to get those things?

Who can participate?

Youth between the ages of 13 to 25 who have lived experiences from various backgrounds, and are interested in sharing a youth perspective while representing underserved communities.

How can I get involved?

- Option 1: Participate in a virtual Youth Focus Group on August 25th from 2:00pm to 3:00pm and receive a \$25 gift certificate!
- Option 2: Take an online Youth Survey between August 25 and September 6th and receive a \$15 gift certificate!
- Option 3: Participate in the Focus Group (receive a \$25 gift certificate) **AND** take the Survey (receive a \$15 gift certificate)!

I'm in! How do I sign up?

[Click here to RSVP](#) for the Focus Group and/or the survey.

Please RSVP by Friday, August 12th.

Have questions?

Please reach out to us!
