## Training Opportunity

### L0953: NIMS ICS All-Hazards Public Information Officer Train-the-Trainer

**Date:**

May 21-24, 2018

**Location:**

Salem, OR

**Course Descriptions:**

This course is designed to assist the student in his or her preparation to function effectively under the NIMS/Incident Command System.

Personnel selected to serve as instructors for this course will teach in the field to personnel representing the Nation's first responders and allied professions from various Federal, state, and local organizations. The use of qualified, knowledgeable, and experienced instructors is an important aspect in the successful delivery of AHPS training. The learning experience is heightened when the instructors have real-world experience and have served in the capacity for which they are providing instruction. This experience should include service on a variety of incidents during major operations, planned events, and/or full scale Homeland Security Exercise Evaluation (HSEEP) compliant exercises as determined by the local authority having jurisdiction (AHJ).

**Course Objectives**

Teach the All-Hazards Public Information Officer course through the use of lecture, interactive discussion, guided exercises and activities, and practice student teaching.
