FEMA

Course: L0451

National Emergency Management Advanced Academy (NEMAA)

Dates:

December 3 - 7, 2018

January 14 - 18, 2019

March 25 - 29, 2019

May 20 - 24, 2019

Location:

Lynnwood, WA

Course Description:

The National Emergency Management Advanced Academy (NEMAA) reinforces the qualities needed to lead emergency management programs, provides relevant management theories and concepts, and utilizes appropriate case studies. Advanced Academy participants work within a collaborative environment on projects and establish a network of peers.

NEMAA is designed for Emergency Management mid-level managers with a minimum of three (3) years experience in an Emergency Management position wanting to advance their skill set. Students learn skills critical to performing emergency management responsibilities such as: program management and oversight, effective communication at all levels, integrated collaboration, and strategic thinking, along with completing a Research Project one month prior to attending the final course.

The Research Project provides students the opportunity to demonstrate their critical thinking abilities. Students apply the key learning concepts from the Advanced Academy curriculum relative to their own strengths and weaknesses, their organizations, and their own performance environments.

Course Requirements:

The NEMAA Program consists of four (4), five (5) days courses. Attendance at each course is required and must be attended in the following sequential order:

E0451 Advanced I – A Survey of Advanced Concepts in Emergency Management

E0452 Advanced II – Assessment and Application of Professional Style in Emergency Management

E0453 Advanced III – Advanced Concepts and Issues in the Emergency Management Organization

E0454 Advanced IV - Advanced Concepts and Issues in the Emergency Management Community and Profession

Target Audience:

This course is intended for government, non-profit voluntary organizations, and private sector leaders responsible for emergency management or homeland security, including:

- State, local, tribal, and territorial emergency management or homeland security program Directors or Deputies.
- Federal department heads or branch chiefs of emergency management or homeland security offices or programs.
- University Emergency Management Directors or Deputies.
- Deputy Directors and managers of non-profit voluntary organizations.
- Private sector managers leading emergency management offices and related programs.
