

UCB Hidradenitis Suppurativa Scholarship™

Do you or a loved one have **hidradenitis suppurativa (HS)?**

The UCB Hidradenitis Suppurativa Scholarship can help people impacted by HS continue education or explore a new career

11 scholarships of up to \$10,000 each are available for people living with HS or their immediate family members who are committed to continuing education or learning new skills.

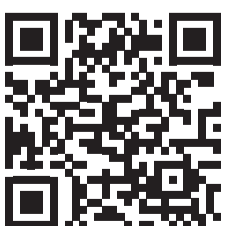

Whether you're living with HS or supporting someone who is, your dreams deserve support—especially when it comes to tuition.

The UCB Hidradenitis Suppurativa Scholarship is unique

- Applicable for tuition, fees, and/or books
- Available for studies in trade skills, college degrees, or other various disciplines
- Open to all ages, academic scores, and levels of financial status

UCB is dedicated to helping individuals affected by chronic inflammatory skin conditions. The UCB Hidradenitis Suppurativa Scholarship program builds on a legacy of support by empowering families impacted by HS.
