Good Morning,

The Internal Revenue Service (IRS) has released the second draft of the 2020 form W-4 along with publication 15 T which contains the withholding instructions. Compliance with the Tax Cuts and Jobs Act has forced the IRS to completely revamp this form for 2020. This webinar will review the latest draft of this form and its corresponding publication 15-T in great detail. The webinar includes several examples of calculating federal income tax withholding beginning January 1, 2020. We will also tackle the question of how to continue using prior year versions of the form W-4.

Please join us for this informative session titled "**2020 Form W-4 - Detailed Assessment Of The Latest Guidelines For Employers To Stay Compliant**" on **Thursday, February 27, 2020**.

Please use this **REGISTRATION LINK** to register yourself to participate in this webinar.

Topics covered include:

- Review of the latest draft form W-4 for 2020
- Review of the employer instructions and publication 15-T
- Examples of calculating income tax withholding
- Discussion of how to handle calculating income tax withholding using prior versions of the form

Attendees will:

- Learn how to use the new form W-4 including the various new tables
- Understand the employer instructions in publication 15 T
- Discover the various methods of calculating income tax withholding using current and prior year forms W-4.

About The Trainer : Vicki M. Lambert, CPP, is President and Academic Director of The Payroll Advisor™, a firm specializing in payroll education and training. The company's website www.thepayrolladvisor.com offers a payroll news service which keeps payroll professionals up-to-date on the latest rules and regulations. With over 35 years of hands-on experience in all facets of payroll functions as well as over 20 years as a trainer and author, Ms. Lambert has become the most sought-after and respected voice in the practice and management of payroll issues. She has conducted open market training seminars on payroll issues across the United States that have been attended by executives and professionals from some of the most prestigious firms in business today. A pioneer in electronic and online education, Ms. Lambert produces and presents payroll related audio seminars, webinars and webcasts for clients, APA chapters and business groups throughout the country. Ms. Lambert is an adjunct faculty member at Brandman University in Southern California and is the creator of and instructor for their Practical Payroll Online program, which is approved for recertification hours by the APA. She is also the instructor for the American Payroll Association's "PayTrain" online program also offered by Brandman University.

We look forward to your participation here. Feel free to email us for any clarifications about the program.

Best,
Susan Jones
