Open house scheduled for community input on Anderson Snow Master Plan

(Brooksville, FL) The Hernando County Planning Department, in partnership with a team from Florida State University (FSU), is working to develop a master plan for improving Anderson Snow Park, located at 1360 Anderson Snow Road in Spring Hill. As part of the master planning process, a community open house will be held on March 5, 2020 from 3 – 6:30 p.m. at the Anderson Snow Park soccer pavilion to gather input from the community to develop a long-term vision for the park.

The Anderson Snow Master Plan will provide Hernando County with a path toward making the most of the park's existing assets as well as upgrading and expanding it over time to achieve the community's vision for the park.

Contact FSU Senior Planner Jeremy Crute at JPCrute@FSU.edu, Hernando County Senior Planner Michelle Miller at MLMiller@HernandoCounty.us or visit www.HernandoCounty.us/ASPMasterPlan for additional information on the master planning process or the community open house.
