MEDIA RELEASE
February 25, 2020

Temporary lane closure scheduled for Shoal Line Boulevard

(Brooksville, FL) The Hernando County Utilities Department (HCUD) will be performing scheduled water main improvements on Shoal Line Boulevard near Hernando Beach beginning March 3 through March 5, 2020. This work will require a single lane closure on Shoal Line Boulevard from Hushpuppy Lane to Darlene Street during this timeframe (See below map).

All side streets within the lane closure will remain open to motorists and two-way traffic will be maintained however, slight traffic delays are to be expected.

Contact HCUD at (352) 540-6219 for additional information on this temporary closure.
