MEDIA RELEASE
February 4, 2020

Anderson Snow Park Master Plan Survey now open for public input

(Brooksville, FL) The Hernando County Planning Department, in partnership with a team from the Florida State University (FSU), is working to develop a master plan for improving Anderson Snow Park, located at 1360 Anderson Snow Road in Spring Hill. To help aid the master planning process, an online survey will be open for public participation from Monday, February 3 through Monday, February 17, 2020.

The Anderson Snow Park Master Plan Survey will help identify the park's current strengths and weaknesses, how it can be improved, and what features and amenities should be included in the master plan. The master plan will provide Hernando County with a path toward making the most of the park's existing assets as well as upgrading and expanding it over time to achieve the community's vision for the park.

Visit www.HernandoCounty.us/ASPSurvey to take the Anderson Snow Park Master Plan Survey.

Contact FSU Senior Planner Jeremy Crute at JPCrute@FSU.edu or Hernando County Senior Planner Michelle Miller at MLMiller@HernandoCounty.us for additional information on the master planning process.
