

# National Indian Health Board

## Call for Tribal Representatives to Participate in Environmental Health Listening Sessions

---

To help elevate Indigenous knowledge and the expertise of Tribal representatives in addressing environmental concerns, the National Indian Health Board is working in partnership with the Centers for Disease Control and Prevention to convene listening sessions where we will discuss environmental health concerns in Tribal Nations and innovative ways Tribes are addressing these concerns.

The information shared during these sessions will inform the development of national program and policies.

### Upcoming Listening Sessions!

#### **Rapid City, South Dakota**

When: April 10th, 2019 at 1:30 PM MT

Where: 2019 Spring Water Conference, Great Plains Tribal Water Alliance
