

Environmental Health in Indian Country Institute

March 17th 8:30AM-4:30PM

CHI Health Center in Omaha, NE

the pre-summit day of NIHB Tribal Public Health Summit

For those interested in...

- Environmental health as a priority health issue
- Clean water, land, and air in Tribal communities
- Tribal adaptation to climate change

All topics based off National Indian Health Board's listening sessions in Indian Country!

Hear from...

- Nikki Ducheneaux, Lead Litigator fighting DAPL
- Shannon Seneca & Elissa Parker, Seneca Nation Health System
- Wilfred J. Nabahe, National Tribal Air Association
- Shasta Gaughen & Angie Hacker, Pala Band of Mission Indians
- And federal partners!

Join NIHB for a day of training and discussion!

*Travel assistance available. Please inquire with SZdunek@nihb.org.
