### PURPOSE

Join the Substance Abuse and Mental Health Services Administration for a 90 minute webinar series specifically designed for tribes, tribal organizations, and urban Indian organizations on how to develop a competitive SAMHSA grant application, with a specific focus on developing a budget. The series was developed in response to feedback from tribal representatives and will clarify what is and is not required in submitting grant applications to SAMHSA. The series includes a question and answer period and contacts for follow up information. The SAMHSA manual from which this webinar was developed is found at <https://www.samhsa.gov/sites/default/files/grant-application-manual.pdf>.

If you would like to receive the slides prior to the webinar, please contact Beverly Vayhinger – [beverly.vayhinger@samhsa.hhs.gov](mailto:beverly.vayhinger@samhsa.hhs.gov)
