GREETINGS

The links to materials found in this packet can be used to help you spread the word and educate your communities about Zika. The enclosed materials are also available on CDC's website and can be tailored to your specific agency's mission and needs. We hope you find these materials useful as you work to increase awareness of Zika and highlight prevention activities in your community.

For more information, please visit <https://www.cdc.gov/zika>.

Thank you in advance for your support in promoting Zika prevention.

This fact sheet answers questions for parents whose children test positive for Zika virus, provides them with information about the diagnosis, methods of treatment, and how to prevent spreading Zika to others. <ul style="list-style-type: none">• English: https://www.cdc.gov/zika/pdfs/TestResults-CHILDREN-fs.pdf• Spanish: https://espanol.cdc.gov/img/cdc/ES_49810.pdf• Portuguese: https://portugues.cdc.gov/img/cdc/PT_49817.pdf• Chinese: https://www.cdc.gov/zika/pdfs/chinese/testresult-children-fs_ZHO-TW.pdf• Vietnamese: https://www.cdc.gov/zika/pdfs/vietnamese/testresults-children-fs-VIE.pdf
For Pregnant Women: A Positive Zika Virus Test: What Does it Mean for Me?	This fact sheet answers questions for pregnant women who test positive for Zika virus, provides them with information about their diagnosis, and what it means for their pregnancy. <ul style="list-style-type: none">• English: https://www.cdc.gov/zika/pdfs/zika-positive-test.pdf• Spanish: https://espanol.cdc.gov/img/cdc/ES_48245.pdf• Portuguese: https://portugues.cdc.gov/img/cdc/PT_48236.pdf• Chinese: https://www.cdc.gov/zika/pdfs/chinese/zika_positive_test_ZHO-TW.pdf• Vietnamese: https://www.cdc.gov/zika/pdfs/vietnamese/zika-positive-test-VIE.pdf
For Men: A Positive Zika Virus Test: What Does it Mean for Me?	This fact sheet answers questions for men who test positive for Zika virus, provides them with information about their diagnosis, methods of treatment, and how to prevent spreading Zika to others. <ul style="list-style-type: none">• English: https://www.cdc.gov/zika/pdfs/TestResults-MEN-fs.pdf• Spanish: https://espanol.cdc.gov/img/cdc/ES_49767.pdf• Portuguese: https://portugues.cdc.gov/img/cdc/PT_49778.pdf• Chinese: https://www.cdc.gov/zika/pdfs/chinese/testresult-men-fs_ZHO-TW.pdf• Vietnamese: https://www.cdc.gov/zika/pdfs/vietnamese/testresults-men-fs-VIE.pdf
What Happens When I Am Tested for Zika and When Will I Get My Results?	This guide provides step by step information on the process for getting tested for Zika virus. <ul style="list-style-type: none">• English: https://www.cdc.gov/zika/pdfs/what-happens-tested-for-zika.pdf• Spanish: http://espanol.cdc.gov/img/cdc/ES_55547.pdf• Portuguese: http://portugues.cdc.gov/img/cdc/PT_55678.pdf

<p>Only Some People Need Zika Testing</p>	<p>This poster informs readers of who Zika virus testing is recommended for.</p> <ul style="list-style-type: none"> • English: https://www.cdc.gov/zika/pdfs/Tested_Flyer.pdf • Spanish: http://espanol.cdc.gov/img/cdc/ES_55496.pdf • Portuguese: http://portugues.cdc.gov/img/cdc/PT_55500.pdf • Creole: https://www.cdc.gov/zika/pdfs/tested_for_zika_flyer_HAT.pdf
<p>Zika Virus Testing for Pregnant Women Living in an Area with Zika</p>	<p>This fact sheet is designed to educate pregnant women who live in areas with risk of Zika about Zika virus testing and what to expect if they have Zika virus during pregnancy.</p> <ul style="list-style-type: none"> • English: https://www.cdc.gov/zika/pdfs/ZIKA-Pregnancy-fs.pdf • Spanish: http://espanol.cdc.gov/img/cdc/ES_48244.pdf • Portuguese: http://portugues.cdc.gov/img/cdc/PT_48235.pdf
<p>What You Should Know About Zika Virus Testing: For Asymptomatic Pregnant Women with Ongoing Exposure to Zika</p>	<p>This fact sheet answers questions about the Zika testing process and explains the possible testing results.</p> <ul style="list-style-type: none"> • English: https://www.cdc.gov/zika/pdfs/living_in.pdf • Spanish: https://espanol.cdc.gov/img/cdc/ES_57988.pdf • Portuguese: https://portugues.cdc.gov/img/cdc/PT_57991.pdf
<p>What You Should Know About Zika Virus Testing: For Symptomatic Pregnant Women with Exposure to Zika</p>	<p>This fact sheet answers questions about the Zika testing process and explains the possible testing results.</p> <ul style="list-style-type: none"> • English: https://www.cdc.gov/zika/pdfs/testing-symptomatic-pregnant.pdf • Spanish: https://espanol.cdc.gov/img/cdc/ES_57986.pdf • Portuguese: https://portugues.cdc.gov/img/cdc/PT_57990.pdf
<p>What You Should Know About Zika Virus Testing: For Asymptomatic Pregnant Women with Recent Exposure to Zika</p>	<p>This fact sheet answers questions about the Zika testing process and explains the possible testing results.</p> <ul style="list-style-type: none"> • English: https://www.cdc.gov/zika/pdfs/testing-asymptomatic-pregnant.pdf • Spanish: https://espanol.cdc.gov/img/cdc/ES_57987.pdf • Portuguese: https://portugues.cdc.gov/img/cdc/PT_57989.pdf

RESOURCES FOR CLINICIANS

RESOURCES FOR CLINICIANS: ZIKA VIRUS

CDC has developed many tools to assist and inform providers who care for pregnant women, women of reproductive age, or infants. These tools are intended to equip healthcare providers with information they need to identify, counsel, report, and follow potential cases.

MATERIALS FOR CARE OF PREGNANT WOMEN

Healthcare Providers Caring for Pregnant Women	This webpage includes information about current travel guidance. https://www.cdc.gov/zika/hc-providers/pregnant-woman.html
Travel Counseling Guide: Pregnant Women	This guide provides recommendations for providers counseling pregnant women who are considering travel to areas with risk of Zika. https://www.cdc.gov/zika/pdfs/counseling-pregnant-travelers.pdf
Key Considerations for Healthcare Settings	This fact sheet provides key steps for healthcare system leaders to consider when preparing to care for Zika patients. <ul style="list-style-type: none">• English: https://www.cdc.gov/zika/pdfs/Key-Zika-Considerations.pdf• Spanish: https://espanol.cdc.gov/img/cdc/ES_55834.pdf• Portuguese: https://portugues.cdc.gov/img/cdc/PT_55836.pdf
Pretest Counseling Materials	The following factsheets apply to different testing scenarios: presenting for care 1) for asymptomatic pregnant women with ongoing exposure to Zika 2) for asymptomatic pregnant women with recent exposure to Zika 3) for symptomatic pregnant women with exposure to Zika. <ul style="list-style-type: none">• For Asymptomatic Pregnant Women with Ongoing Exposure to Zika: https://www.cdc.gov/zika/pdfs/living_in.pdf• For Asymptomatic Pregnant Women with Recent Exposure to Zika: https://www.cdc.gov/zika/pdfs/testing-asymptomatic-pregnant.pdf• For Symptomatic Pregnant Women with Exposure to Zika: https://www.cdc.gov/zika/pdfs/testing-symptomatic-pregnant.pdf
For Healthcare Providers: Pretest Counseling Conversation Guides	The following factsheets apply to different testing scenarios: presenting for care 1) for asymptomatic pregnant women with ongoing exposure to Zika 2) for asymptomatic pregnant women with recent exposure to Zika 3) for symptomatic pregnant women with exposure to Zika. <ul style="list-style-type: none">• For Asymptomatic Pregnant Women with Ongoing Exposure to Zika: https://www.cdc.gov/zika/pdfs/pretestingcounselingscript_livingin.pdf• For Asymptomatic Pregnant Women with Recent Exposure to Zika: https://www.cdc.gov/zika/pdfs/clinician-guide-no-ongoing-exposure.pdf• For Symptomatic Pregnant Women with Exposure to Zika: https://www.cdc.gov/zika/pdfs/clinician-guide-symptoms.pdf
Pretest Counseling Webpage	This webpage assists providers with counseling pregnant women about Zika virus testing and informing them of what they might expect. https://www.cdc.gov/zika/hc-providers/pregnant-women/patient-counseling.html
Testing Algorithms	<ul style="list-style-type: none">• Testing Algorithm for Asymptomatic Pregnant Women with Possible Zika Exposure: https://www.cdc.gov/zika/pdfs/testing-algorithm-asymptomatic.pdf• Testing Algorithm for Symptomatic Pregnant Women with Possible Zika Exposure: https://www.cdc.gov/zika/pdfs/Testing_Algorithm.pdf
USZPR for Obstetric Healthcare Providers	This fact sheet provides information for participating in the US Zika Pregnancy Registry for obstetric healthcare providers. <ul style="list-style-type: none">• English: https://www.cdc.gov/zika/pdfs/Zika-Pregnancy-Registry-HCP.pdf• Spanish: https://espanol.cdc.gov/img/cdc/ES_47795.pdf• Portuguese: https://portugues.cdc.gov/img/cdc/PT_47895.pdf
When to Test for Zika Virus	https://www.cdc.gov/zika/pdfs/when-to-test-zika.pdf
Zika Pregnancy Testing Algorithm & Zika Pregnancy Testing Interactive Tool	These materials are intended to help healthcare providers apply the updated recommendations for Zika virus testing during clinical practice, assist with interpretation of results, and inform clinical management for a pregnant woman with possible exposure to Zika virus. <ul style="list-style-type: none">• Zika Pregnancy Testing Algorithm: https://www.cdc.gov/zika/pdfs/testing_algorithm.pdf• Zika Pregnancy Testing Interactive Tool: http://www.cdc.gov/zikatest
Zika Screening Tool for Pregnant Women	CDC recommends that pregnant women be asked at each prenatal care appointment if they may have been exposed to Zika. This material can help providers screen their patients and identify if Zika virus testing is indicated. https://www.cdc.gov/zika/pdfs/zikapreg_screeningtool.pdf

MATERIALS FOR CARE OF INFANTS

Assessment of Infant Hearing	This material is intended to assist clinicians conducting hearing assessments on infants testing positive for Zika virus infection. It includes an algorithm with testing and result interpretation recommendations. https://www.cdc.gov/zika/pdfs/hearing-test-algorithm-infants.pdf
Clinical Evaluation and Management of Infants with Congenital Zika Infection	This series of webcast recordings presents discussions on clinical evaluation and management considered by CDC when interim guidance for health care providers was developed. https://www.cdc.gov/zika/hc-providers/webcast-clinicalevaluation.html
Congenital Microcephaly Case Definitions	The attached webpage contains helpful charts for diagnosing microcephaly, and measuring head circumference at birth. https://www.cdc.gov/zika/public-health-partners/microcephaly-case-definitions.html
Healthcare Providers Caring for Infants and Children	This webpage gives a summary of recommended testing and clinical management for infants with possible Zika virus exposure. The page also includes links for infant follow-up care, information on congenital Zika Syndrome and other birth defects, and guidance for infant evaluation. https://www.cdc.gov/zika/hc-providers/infants-children.html
Evaluation and Management of Infants with Possible Congenital Zika Virus Infection	This guide provides new considerations for healthcare providers on evaluating and managing the care of infants with possible congenital exposure to Zika virus. https://www.cdc.gov/zika/pdfs/zika-evaluation-management-infants.pdf
Implementing CDC Guidance for Infant Neuroimaging and Infant and Placental Zika Virus Testing	This tool organizes CDC recommendations for evaluating infants with possible congenital Zika exposure by maternal Zika virus exposure status and maternal laboratory test results. https://www.cdc.gov/zika/pdfs/placental-testing-guidance.pdf
Measuring Head Circumference Factsheet	This resource is intended to educate healthcare providers about how to measure an infant's head circumference in a consistent and accurate way. https://www.cdc.gov/zika/pdfs/microcephaly_measuring.pdf

MATERIALS FOR CARE OF WOMEN OF REPRODUCTIVE AGE

Caring for Reproductive-Age Women	This webpage has a summary of recommendations for women and men who are planning to conceive in the near future. It also includes links to more information about Zika exposure, testing, risks, patient counseling, and reproductive planning. https://www.cdc.gov/zika/hc-providers/women-reproductive-age.html
Preconception Counseling Tool	This guide gives recommendations for counseling women and men living in or frequently traveling to areas with a CDC Zika travel notice. Recommendations include key questions to ask patients and sample scripts to guide discussion between the provider and patient. https://www.cdc.gov/zika/pdfs/preconception-counseling.pdf
Preventing Unintended Pregnancy During the Zika Virus Outbreak	This page covers information about types of reversible, emergency, and permanent contraceptive methods. https://www.cdc.gov/zika/pregnancy/preventing-pregnancy.html
Reproductive Planning Resources for Physicians	This webpage includes information on preconception care, preventing pregnancy, and tools to help providers implement contraceptive guidance. https://www.cdc.gov/zika/hc-providers/reproductive-age/reproductive-planning.html
Travel Counseling Guide: Women and Men of Reproductive Age	This guide provides recommendations for providers counseling women and men of reproductive age who are considering travel to areas with risk of Zika. https://www.cdc.gov/zika/pdfs/travelcounseling-fs.pdf
Women and Their Partners Trying to Become Pregnant	This webpage includes travel guidance by geographical location and recommendations for women and men who live in or frequently travel to an area with risk of Zika. https://www.cdc.gov/zika/pregnancy/women-and-their-partners.html
Women Thinking About Having a Baby	This factsheet gives recommendations for women to protect themselves from getting Zika virus from mosquito bites and sexual transmission. https://www.cdc.gov/zika/pdfs/zika-plan-your-pregnancy.pdf

SAMPLE PRESENTATIONS

Zika Virus & Infants Grand Rounds Toolkit	This presentation is intended to inform pediatricians and other providers about updated guidance regarding Zika virus and infants including an overview of Zika virus, clinical management of infants with possible Zika virus infection, and tips for families and caregivers of infants with possible Zika virus infection. https://www.cdc.gov/zika/pdfs/zika-grand-rounds_peds.pdf <ul style="list-style-type: none"> • Facilitated Discussion Guide & FAQ: This guide outlines sample language for the presenter and responses to frequently asked questions. https://www.cdc.gov/zika/pdfs/facilitationguidefaqs_pediatricians.pdf
Zika Virus & Pregnancy Grand Rounds Toolkit	This presentation is intended to inform obstetricians of updated guidance regarding Zika virus and pregnancy including diagnosing, testing, and prevention, as well as standard precautions in the healthcare environment. https://www.cdc.gov/zika/pdfs/zikagrandrounds_pregnancy.pdf <ul style="list-style-type: none"> • Facilitated Discussion Guide & FAQ: This guide outlines sample language for the presenter and responses to frequently asked questions. https://www.cdc.gov/zika/pdfs/facilitationguidefaqs_pregnancy.pdf

OTHER RESOURCES

CDC's Health Alert Network (2016)	This webpage provides up to date information on CDC health alerts, advisory notices, health updates, and info services. https://emergency.cdc.gov/han/2016.asp
Communication Resources	Current communication tools and resources, including videos, fact sheets, and posters, for use and distribution. https://www.cdc.gov/zika/comm-resources/index.html
Guillain-Barre Passive Surveillance System for Puerto Rico	This surveillance guide can assist with detecting increases of GBS cases. <ul style="list-style-type: none"> English: https://www.cdc.gov/zika/pdfs/Poster-GBS.pdf Spanish: https://www.cdc.gov/zika/pdfs/Poster-GBS-SPANISH.pdf Portuguese: https://portugues.cdc.gov/img/cdc/PT_55912.pdf
OSTLTS Communication Resource Center	Customizable communication products for state, tribal, local and territorial public health agencies. https://www.cdc.gov/stltpublichealth/collab-space/index.html
Protect Your Pregnancy from Zika	This material, meant for low literacy audiences, is intended to inform pregnant women about Zika transmission and prevention. https://www.cdc.gov/zika/pdfs/low-lit-pregnancy-protection.pdf
Roadmap for Parents of Babies with Congenital Zika Syndrome	This newly developed roadmap is designed as a guide to help parents of babies with birth defects related to congenital Zika infection navigate the series of screenings and tests recommended during their baby's first year of life. https://www.cdc.gov/zika/pdfs/roadmap-for-parents.pdf
Roadmap for Parents of Babies Infected with Zika Before Birth Who Appear Healthy	This roadmap is meant to help parents whose babies were infected with Zika before birth and appear healthy with navigating the series of screenings and tests recommended during their baby's first year of life. https://www.cdc.gov/zika/pdfs/roadmap-for-parents-babies-infected-before-birth.pdf
USZPR for Tribal Healthcare Providers	This fact sheet provides information for tribal healthcare providers about contributing to the US Zika Pregnancy Registry. <ul style="list-style-type: none"> English: https://www.cdc.gov/zika/pdfs/Zika_PregnancyRegistry_tribal.pdf Spanish: http://espanol.cdc.gov/img/cdc/ES_53380.pdf Portuguese: http://portugues.cdc.gov/img/cdc/PT_53393.pdf
Zika Can Pass Through Sex	This material, meant for low literacy audiences, is intended to inform men and women about prevention of sexual transmission of Zika virus. https://www.cdc.gov/zika/pdfs/low-lit_condom.pdf
