# FOOD FOR FINES PROGRAM

## AN ALTERNATIVE TO PAY FINES

**B**eginning November 1st, the Library will accept non-perishable food items and toiletries for the Belmont Food Pantry as an alternative for any patrons wishing to donate items to the BFP instead of paying fines.

We want to thank all those who worked with the library to make this program a possibility, including the Board of Library Trustees, the Town Administrator and of course, the Belmont Food Pantry.

If patrons wish to make a donation to the food pantry instead of paying late fees on Belmont items, we will have containers at the Circulation Desk to receive them. "Food For Fines" will be for Belmont late fees only. Fines from other libraries are not eligible, nor are replacement costs for lost or damaged items.

# SPOOKY SUCCESSES

Ibraries love Halloween! Read on for recaps of some of our spooktacularly themed events. We had a blast providing the following programs for the Belmont community, received great feedback from those that attended, and even got to meet some new patrons!

## Murder Mystery Party—The Haunted Hunter

This evening was filled with mischief, mayhem, and murder! Jest Murder Mystery Co. provided two professional actors to facilitate the evening's festivities. Once everyone arrived, every participant was given a part to play in the story, and everyone was encouraged to embody their given character (with help from some clever details on their name tags). After the first act ended in the murder of a ghost hunter, it was up to our audience to decipher the clues, act their parts, and solve the whodunit!

There were numerous standout acting performances from the audience, with "Hugh Huffman" taking home a trophy for is brilliantly acted old man character. Participants all had a great time and even asked if we could have another event like this one! So be on the lookout for future programs!

*This event was generously funded by the Friends of the Belmont Public Library.*

## Halloween Puppet Show

Librarians Rachel O. and Jonathan N. put on a special Halloween-themed storytime, which included a puppet show!

During the puppet show the audience was asked to help our resident witch, Esmerelda, cast a spell on her broom, who had forgotten how to fly. However, they performed the wrong spells and transform the broom into a variety of different animals: from a mouse to a dragon. After finally remembering the correct spell Esmerelda and her broom fly away to attend a pre-Halloween party!

We had amazing attendance with 120 patrons.

## Community Trick or Treat

The Town of Belmont hosted a community trick or treat at Town Hall. Librarians Rachel O., Rachel M., and Jonathan N. were on hand dressed as the Sanderson Sisters from the movie *Hocus Pocus*. Candy was given out all of the trick-or-treaters who visited our table!

## Halloween Party/Haunted House/Escape Room

Leading up to Halloween we had numerous programs for all ages! Our Boo Bash on Oct 29 saw 140 patrons get into the holiday spirit with craft making and cookie decorating. Later that evening we took willing participants on a virtual tour of a haunted house. Teen Library Rachel M. transformed the Flett Room into a vampire's lair on Oct 30. Kids and teens worked in groups to solve clues and puzzles in order to escape the lair!

FRIDAY, NOV. 8 AT 11:00AM

BEECH STREET CENTER

This month's selection is *The Art Forger* by B.A. Shapiro. Almost twenty-five years after the infamous art heist at the Isabella Stewart Gardner Museum—still the largest unsolved art theft in history—one of the stolen Degas paintings is delivered to the Boston studio of a young artist. Claire Roth has entered into a Faustian bargain with a powerful gallery owner by agreeing to forge the Degas in exchange for a one-woman show in his renowned gallery. But as she begins her work, she starts to suspect that this long-missing masterpiece—the very one that had been hanging at the Gardner for one hundred years—may itself be a forgery.
