

MIDDLE SCHOOL MATTERS

Luke 9:23

"If anyone would come after me, let him deny himself and take up his cross daily and follow me."

A NOTE FROM DIXON'S DESK

This week in chapel our speaker was our new Bible teacher, Mr. Quintana. He reminded us of how small, consistent decisions over a long period of time can make a tremendous impact on our character and the direction of our lives. Daniel didn't wake up the morning he was going to face the lions and decide to start praying three times a day. He had been consistent in prayer for a long time. As a result, he was able to be faithful to God when the pressure was on and it really mattered because of the habits he had made. Our prayer for our students is that they would make consistent, good choices every day about who they are following amidst the busyness of school, sports, activities, social events, and church. I pray you have a restful, long weekend and a Happy Labor Day!

Big Idea
