Grow in grace & knowledge

This week has been such a blessing, looking at the foundation that is being laid for a child's entire life is a joy to be a part of. The "small" everyday moments have eternal value. In the routine of diapers, testing boundaries, and messy playtime, it is easy to overlook the achievements. But Galatians 6:9 encourages us in all the good work, "for at the proper time we will reap a harvest if we do not give up." I look forward to this year of partnering with you as a good work is done in the life of every child!

He will be PRAISED!

God designed children to move, touch, build, and play. Play is not a break from learning; it is the exact mechanism God gave them to understand physics, navigate relationships, practice sharing, problem-solve, and build communication skills! Thank you God, for creating us this way!

"Let everything that has
breath praise the Lord.
Praise the Lord."
