

High School Highlights

A Note from Mrs. Rhodes

Happy Friday, PCA Families!
High school is full of momentum right now as we look ahead to Homecoming and gear up for PSAT testing for grades 9-11. Please take time this weekend to read Mrs. Sapp's email regarding the importance of the test and how to help your student prepare. We look forward to watching our Panthers excel!

Advice from the Advisor

The PSAT 8/9 and PSAT/NMSQT will be administered on October 6 to all 9th-11th grade students.

Seniors will have a field trip that morning and it will be an early release day for all high school students.

Please check your inbox for detailed information from Mrs. Sapp!

September - Goal Setting with your Student

by Mr. Jones, PCA Spiritual Formation Director

The beginning of the school year is one of excitement and hope. As our teachers plan through their curriculum each summer, they set goals for their students. There are benchmarks they want to hit by the end of the quarter, semester, and year. The goal of that class is to teach the student the material and prepare them for the next level of their education and life.

One of the things we can do as parents is to think through yearly goals for our children. Ask yourselves these questions:

- Where would I like them to be spiritually by the end of the semester?
- What life skill would I like for them to master by the end of the quarter?

Pray about your answers, seeking wisdom and discernment alongside your spouse or trusted family members. Pick just one or two goals to write down, then look for natural ways to model and talk about them with your teen throughout the year.

THIS IS WHAT
ALL IN
LOOKS LIKE.

This North Texas Giving Day,
let's go **ALL IN**—together.

† ALL IN FOR **CHRIST**.
ALL IN FOR **STUDENTS**.
ALL IN FOR **EACH OTHER**.

 **NORTH TEXAS
GIVING DAY**
