Note from Mrs. Coogler

What a wonderful week in Hybrid! It is such a joy to see our students becoming more confident, building relationships, and growing in so many ways. I am continually thankful for the community God is creating within our program and for the partnership of our families.

Next week is Homecoming Week, and we are excited to join in the fun and celebrate together! Be sure to check out the details below for dress-up days and other Homecoming activities.

As we enjoy these special moments together, my prayer is that our students continue to grow not only academically, but also in their faith, character, and relationships with others.

"And Jesus grew in wisdom and stature, and in favor with God and man." — Luke 2:52

Happenings on Campus and at Home

Our Hybrid students are moving right along, both on campus and at home! This week in Music, Mrs. Morse had students practicing forte and piano dynamics, exploring the difference between loud and soft sounds. Our 1st and 2nd graders also enjoyed a special library time listening to Mrs. Singleton read aloud.

The learning continued at home, too! Mrs. Singleton's class planted beans and placed them in their windows to observe the sprouting and growing process firsthand. The Kazanski family also used part of their satellite learning day last week to visit the Pantego Fire Department—a wonderful way to extend learning beyond the classroom while celebrating and learning more about our first responders!

We LOVE seeing all the creative ways learning comes to life at home! Please continue sharing your satellite-day adventures and special learning moments with us at ccoogler@pantego.com.
