PANTEGO
CHRISTIAN ACADEMY

CHAPEL SCHEDULE

September is Homecoming month this year, so there are plenty of opportunities for community on our campus! In chapel, we will continue to emphasize the Old Testament by spending a few weeks discussing Abraham. While he is a patriarch of our faith, his life points directly toward the coming Christ—showing us what it means to step out in radical obedience, trust God's promises even in times of uncertainty, and see how God faithfully fulfills His covenant through Jesus.

Parents, we invite you to talk with your children about what they're learning each week —let's grow in faith together!

Feel free to join us any week!
