Note from Mrs. Coogler

September is already off to a wonderful start! It's hard to believe we are heading into our second full week of the month. The school year seems to be moving quickly, but these days together are certainly sweet! As the newness of the school year begins to wear off, I hope your family is settling into a comfortable rhythm and finding routines that work well both at school and at home. Please know that we are here to support and encourage you along the way. We are so thankful for the partnership and community we share with each of our Hybrid families, so never hesitate to reach out if there is any way we can help.

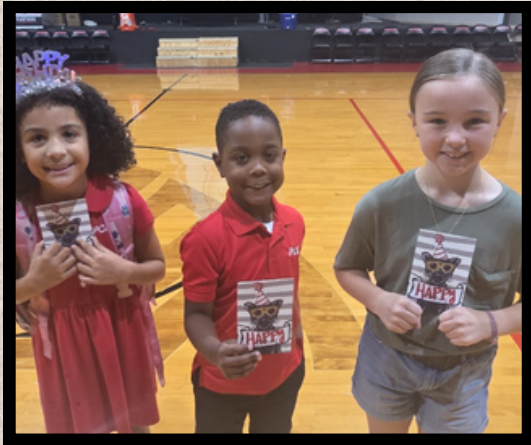

"Therefore encourage one another and build each other up, just as in fact you are doing." — 1 Thessalonians 5:11

Happenings on Campus and at Home

Fun things are always happening on campus, and this week was certainly no exception! From birthday celebrations and Kindergarten's fun "H" lunch to a meaningful chapel message honoring the important role of first responders, our days were filled with opportunities to learn, celebrate, and grow together. In both the big moments and the simple everyday ones, we continue to see God's blessings throughout our sweet Hybrid program. It is such a gift to watch our students build friendships, make memories, and experience the joy of learning together!

This week also marked an important part of our Hybrid journey as we hosted our Semester One Co-Instructor Night. With several weeks of satellite instruction now under your belt, we hope the additional information, resources, and hands-on materials shared during the evening left you feeling encouraged, equipped, and supported for the weeks ahead. The partnership between our teachers and families is such an important part of what makes blended learning special, and we are incredibly thankful for the time and intentionality you invest in learning at home.

And, as always, we would love a glimpse into your satellite days! Whether it's a hands-on activity, a cozy reading spot, siblings joining in, or simply your child hard at work, please feel free to snap a quick picture and send it to ccoogler@pantego.com. We love getting to see learning extends beyond our campus walls and into your homes!
