

Donate Books!

It's hard to believe, but some children have never met *The Very Hungry Caterpillar* or *The Little Engine That Could*.

The Literacy Coalition works to change this reality in Palm Beach County by providing books to children from low-income families. The books will be distributed through our children's and family literacy programs that reached 55,967 adults, children and families in the past year. Please donate a new children's book to help a child develop a love of reading.

Since 1989, the Literacy Coalition has been the leading advocate for literacy in Palm Beach County, working to improve the quality of life in our community by promoting and achieving literacy.

The Literacy Coalition is recognized in the top 1% of charities nationwide and has earned 14 consecutive 4-out-of-4 star ratings from Charity Navigator.
