LAMENT AND LEGACY

JESS FELE'S MARCH OF THE LIVING STORY

Join us for a moving *Tisha B'Av* presentation by Jess Fele, one of our teens preparing to enter college this fall. She will share her powerful experience on the March of the Living through personal reflection, images, and video from her journey to Poland. Jess will help us connect the historical memory of destruction with the resilience and hope of the Jewish people today.

LIVESTREAMING WILL BE AVAILABLE
