

Subject: Get to Know Our Youth Groups – USY & Geshher are Growing!

We're excited to reintroduce you to **USY (United Synagogue Youth)** and **Geshher**, our shul's youth groups for **grades 6–12**. We're Brady and Marley, the USY and Geshher presidents, and we want to share what makes these groups so special - both here at CSK and across the country. Over the past couple years we've teamed up with our friends at B'nai Torah Congregation (created BRUSY - Boca Raton USY) to create an even stronger and more active youth community.

Through USY and Geshher, Jewish teens connect with each other, strengthen their Jewish identity, and have fun doing it. Whether it's **social events, Shabbat experiences, leadership training, regional conventions, or social action/tikun olam (community service)** projects, there's something for everyone.

We are part of the **HaNegev USY region**, stretching from **South Miami to North Carolina and Tennessee** - including cities like **Atlanta, Nashville, and Orlando**. Our chapter plays a major role: two of our teens, **Ari Bilu (HaNegev Regional President)** and **Avi Baum (HaNegev Communications VP)**, serve on the regional board this year!

Even if your kids go to a Jewish day school, USY and Geshher offer something unique - a chance to **live Jewish values outside the classroom**, connect with peers across the region, and build leadership and friendship that last beyond high school.

If you have a middle or high schooler, we'd love for them to join us.

Additionally, as an intro to the future youth groups, **Chaverim** is available for our younger kids in **K-5** - programming for Chaverim can also be found on the calendar linked above.

And if you don't have kids in those age groups, you can still make a difference by supporting our programming through the [Aronson Youth Fund](#). Your support helps us grow and continue to help CSK provide these amazing opportunities.

Thank you for helping us build the next generation of Jewish leaders, l'dor v'dor, right here in our community.

L'shalom,

**Brady Abrams, USY President (10th Grade)**

**Marley Abrams, Geshher President (8th Grade)**
