About Dr. Lehmann

Dr. Susan W. Lehmann is the Clinical Director of Geriatric Psychiatry and Neuropsychiatry, and an Associate Professor in the Department of Psychiatry and Behavioral Sciences, at the Johns Hopkins University School of Medicine. She is nationally renowned as a leader in geriatric psychiatry and in geriatric psychiatry education. She directed the Psychiatry Clerkship for the Johns Hopkins School of Medicine for 15 years, and is a former President of the Association of Directors of Medical Student Education in Psychiatry. She has presented and led symposia for the American Association for Geriatric Psychiatry and the Association of Directors of Medical Student Education in Psychiatry on topics related to medical education, aging and ageism, and geriatric psychiatry.
