

Join us for PWSA's On-Call Engineering Services Contract Outreach Event

Wednesday, November 15th, 2023 | 3:30 - 6pm | Schenley Skating Rink

Please join the PWSA engineering and procurement teams on Wednesday, November 15th, to learn more about our upcoming solicitation for on-call engineering services. The solicitation aims to establish a pool of qualified firms capable of completing various capital improvement projects on an “as needed” basis.

Interested firms will learn more about the procurement process and network with potential partner firms. A panel will provide their insight on working as a PWSA on-call consultant.

Registration is free and open to all interested firms. Local and MWDBE firms are encouraged to attend. Please limit registration to two attendees per firm.

Please reach out to Julie Ascioffa at jascioffa@pgh2o.com with any questions or accommodations.

Event Details
