She is a two-time Canadian Comedy Award nominee, a Leo Award-winning comedy writer and is regularly featured on CBC Radio's smash hit *The Debaters*. She is a nine-time repeat guest on the Maximum Fun show *Stop Podcasting Yourself*.

### JOHN CULLEN

JOHN CULLEN is the rare comedian that you watch and he's having so much fun on stage that you can't decide whether he's having more fun or you are. Comedy should be about having fun, after all, and John's had a lot of it, accomplishing many things in just eight years as a stand-up comedian. His album, *Most Likely to be a Comedian*, went to #1 on iTunes and can be frequently heard on SiriusXM radio. His former podcast, *Real Good Show*, was nominated for a Canadian Comedy Award and his current podcast, *Blocked Party*, regularly hits the top 50 on the iTunes podcast charts and has been featured on the A.V. Club. He's appeared on television as part of the Just for Laughs, Winnipeg and Halifax Comedy Festivals, and is a regular at the Just for Laughs Northwest festival. Oh, and he's made multiple appearances on CBC's *The Debaters*.

### JULIE KIM

JULIE KIM is a two-time Canadian Comedy Award nominated stand-up comedian. She has been featured on national television and radio multiple times (CBC's *The Debater*, the Winnipeg Comedy Festival, Just for Laughs Northwest, the Halifax Comedy Festival, and much more). Her comedy credits are among the best in the country.

In the past year Julie has opened for Ronny Chieng, Fortune Feimster, and Hari Kondabolu. In 2018 she released her debut comedy album with 800 Pound Gorilla Records and was discovered by fans worldwide as her comedy videos amassed over 19 million views online. Julie performs across Canada, the United States, and beyond. She travels far and wide to achieve her mission of spreading happiness, lightening hearts, and uniting through laughter.

### JACOB SAMUEL

JACOB SAMUEL is a stand-up comic, cartoonist, and writer known for his clever and insightful comedy. Jacob has taped multiple national TV performances for the CBC, The Comedy Network, and Crave and has wowed audiences at both the Just for Laughs and Winnipeg Comedy Festivals. On radio, he can be heard on SiriusXM and on CBC's *The Debaters*. Jacob has also had several cartoons published in *The New Yorker* even though he did terribly in middle school art class.
