

1 **RESOLUTION RE: THE WAR BETWEEN HAMAS AND ISRAEL**

2
3 **WHEREAS**, Hamas militants horrifically stormed into Southern Israel on October 7,
4 2023 killing about 1,200 people, mostly civilians, and abducting about 250 others; and

5
6 **WHEREAS**, Israel has retaliated resulting in 100,000 people killed, injured or
7 missing with the deaths continuing to increase. Two thirds of those killed are women
8 and minors. Israeli Defense Forces have caused massive destruction to the infra-
9 structure and the environment in Gaza, and has targeted places of worship, schools
10 and hospitals, forcing nearly all of the 2.3 million residents to flee their homes.
11 Civilians of Gaza are deprived of clean water, food, medicine and medical care, and
12 other basic human needs; and

13
14 **WHEREAS**, the United States is Israel's greatest ally, continuing to supply Israel
15 with military aid and weapons, without regard to whether the military resources are
16 used in accordance with U.S. law, international humanitarian law and the law of
17 armed conflict; and

18
19 **WHEREAS**, without a ceasefire between Israel and Gaza, the deaths of civilians, the
20 suffering and disease from hunger, lack of clean water and medical care will continue
21 to grow, and the likelihood of hostages being released will continue to diminish; and

22
23 **WHEREAS**, the International Court of Justice (NPR, January 26, 2024) has found it
24 is plausible that Israel has committed acts that violate the Genocide Convention; and

25
26 **WHEREAS**, the ELCA Statement on Peacemaking professes that the biblical
27 narrative reveals God's resolve for peace, and God's reign of peace was established
28 through Jesus' death and resurrection and Jesus' followers are called to participate in
29 God's reign as peacemakers; therefore be it
