PACKING INSTRUCTIONS FOR LUTHERAN WORLD RELIEF QUILTS & KITS

Several things have changed, so please read the following requests from Lutheran World Relief.

1. They are no longer accepting soap donations.
2. Fleece items are no longer accepted. (Those popular tied fleece blankets.)
3. Do not mix quilts and kits together in the same box.
4. Even if you use the tracker system they still want you to follow these labeling steps on each box: Prepare two labels giving the name and address of your church, and the contents of the box “3 quilts,” for instance. One copy goes inside the box and one is fixed to the outside.
5. If you use the tracker system you will end up submitting 4 “labels” with each box.
6. No box should weigh more than 40 pounds.
7. Use sturdy boxes secured with packing tape.

If we were charged the cost of mailing our donations overseas, it would bring our quilting to a halt—we could never afford it. Instead, LWR suggests a “donation” of \$2.50/quilt and then handles all shipping...including that train that comes to Madison. Please help keep this mission alive by mailing a check to LWR this year.
